

Lean Manufacturing will:

- Reduce Lead Times by 80%
- Reduce WIP up to 90%
- Reduce Floor Space 75%
- Improve Quality by 90%

Since 1997, Industrial Solutions has been focused on serving companies with professional consulting, facilitation and training services in the application of Lean Thinking.

Our consultants are experts on a broad array of subjects, and can facilitate events on any of them, leading the process owners to achieve great gains.

Improvement events are a way to quickly transform the workspace and get employees engaged in the process.
